

CHAIRMAN'S CHRISTMAS MESSAGE 2020

It is once again this time of the year where celebrations should be the norm but with the pandemic and its new way of life I bring this message wishing the Amalgamated Family a
Merry Christmas
and
a Happy and Prosperous New Year for 2021.

May the New Year be filled with your dreams come true with God's continued protection and blessings.

Undoubtedly this was a very trying year and the future brings uncertainty but I will endeavour to ensure that our security and continuation are guaranteed with minimal disruption. Some sacrificing would be required from each of us. But as usual, we will persevere as we navigate through these difficult times.

Like any family unit, we will bind together as a single entity and overcome all obstacles as we preserve our way of life.

Thank you and Merry Christmas
and
a Happy New Year for 2021
